Re: Annual Review of Base Rates for Fuel Costs of Duke Energy Progress, LLC  
Docket No. 2018-1-E

Dear Ms. Boyd:

On April 27, 2018, Duke Energy Progress, LLC (“DEP” or the “Company”) filed with the Commission direct testimony related to the annual review of base rates for fuel costs of DEP, which included testimony and exhibits for Company witness Kendra A. Ward.

Enclosed for filing please find the revised testimony and exhibits of Kendra A. Ward. Ms. Ward’s testimony and exhibits are being amended in order to correct an error in Exhibit 4, Page 3b, Line 51. The “General Service (Demand) Environmental Increment / (Decrement) Calculated Rate” is over-collected and the rate therefore should have been shown as a decrement rather than an increment. The 4 cents/kW shown on Exhibit 4, Page 3b, Line 51 of the original filing has been corrected to (4) cents/kW. This correction affects the following portions of Ms. Ward’s testimony and exhibits:

- Table on page 6 of Ms. Ward’s testimony;
- Page 18, line 3 of Ms. Ward’s testimony; and
- Exhibit 1, Line 13, Line 15, Line 18, and note 4.

No other changes have been made to the Exhibits. Please replace the previously filed versions of Ms. Ward’s pre-filed testimony and exhibits with the attached revised versions. By copy of this letter a copy of same is being served on the parties of record. Should you have any questions regarding this matter, please do not hesitate to contact me at 803.988.7130.

Sincerely,

A handwritten signature in blue ink, appearing to read "Rebecca Dulin". The signature is fluid and cursive, with the first name "Rebecca" and the last name "Dulin" clearly distinguishable.

Rebecca J. Dulin

Enclosure
